CSC 1310 Modernize 1300/1310 Pre-Course Experience Survey Fall 2025

Time Requirement: under 10 minutes

Purpose: We use this pre-course experience survey for the purpose of

- understanding your preparedness for the course,
- customizing content,
- aiding in engagement and motivation,
- managing class time efficiently,
- implementing differentiation strategies, and
- building on prior knowledge

If you have any questions about this survey, you may contact April Crockett,
acrockett@tntech.edu.

The questions below ask about your prior experience level.

It is ok to answer "No Experience At All". You can succeed in this course without having seen any of these topics since they will be taught during the course.
