

Program 2 Part 2 Grade Rubric (39 points)

Course: CSC 1310-001 Data Structures and Algorithms - Spring 2026

Criteria	Excellent Job!	Good, But Small Issue(s)	Needs Improvement	Unacceptable	Criterion Score
Documentation : SAMPLE OUTPUT 1 - Screenshot & Analysis	10 points Provided screenshot of running Sample Output 1 , answered 5 questions in document: a. Why do you think you got the results that you got? b. What algorithm was the fastest out of the algorithms you implemented? c. What algorithm was the slowest? d. Was the parallel bubble sort algorithm faster than the serial bubble sort algorithm? e. How does your results compare to the sample output provided?	7 points Provided screenshot of running through Sample Output 1 but didn't answer the 5 questions associated with Sample Output 1 thoroughly - didn't put enough thought into the responses: a. Why do you think you got the results that you got? b. What algorithm was the fastest out of the algorithms you implemented? c. What algorithm was the slowest? d. Was the parallel bubble sort algorithm faster than the serial bubble sort algorithm? e. How does your results compare to the sample output provided?	3 points Either didn't provide screenshot or didn't answer the 5 questions about running Sample Output 1	0 points Didn't provide screenshot of running Sample Output 1 and didn't answer the 5 questions in the document analyzing the results of running Sample Output 1 .	/ 10

Criteria	Excellent Job!	Good, But Small Issue(s)	Needs Improvement	Unacceptable	Criterion Score
Documentation : SAMPLE OUTPUT 2 - Screenshot & Analysis	8 points Provided screenshot of running Sample Output 2 , answered 2 questions in document: a. Why do you think you got the results that you got? b. How does it compare to the sample output provided?	5 points Provided screenshot of running Sample Output 2 , but didn't answer the 2 questions thoroughly - didn't put enough thought into the responses: a. Why do you think you got the results that you got? b. How does it compare to the sample output provided?	2 points Either didn't provide screenshot of running Sample Output 2 or didn't answer the 2 questions in the document associated with Sample Output 2 .	0 points Didn't provide screenshot of running Sample Output 2 and didn't answer the 2 questions in the document associated with Sample Output 2 .	/ 8
Documentation : SAMPLE OUTPUT 3 - Screenshot & Analysis	8 points Provided screenshot of running Sample Output 3 , answered 2 questions in document: a. Why do you think you got the results that you got? b. How does it compare to the sample output provided?	5 points Provided screenshot of running Sample Output 3 , but didn't answer the 2 questions thoroughly - didn't put enough thought into the responses: a. Why do you think you got the results that you got? b. How does it compare to the sample output provided?	2 points Either didn't provide screenshot of running Sample Output 3 or didn't answer the questions associated with Sample Output 3 .	0 points Didn't provide screenshot of running Sample Output 3 and didn't answer the 2 questions in the document associated with Sample Output 3 .	/ 8

Criteria	Excellent Job!	Good, But Small Issue(s)	Needs Improvement	Unacceptable	Criterion Score
Documentation : Tested Different number of Threads	8 points Provided screenshot of testing different # of threads and answered question 12: You may have noticed that when you increase the number of threads that parallel bubble sort slows down significantly, but parallel merge sort does not. Why is that?	5 points Provided screenshot of testing different # of threads but didn't answer question 12 thoroughly or thoughtfully, which was "You may have noticed that when you increase the number of threads that parallel bubble sort slows down significantly, but parallel merge sort does not. Why is that?"	2 points Either didn't provide screenshot of testing different # of threads or didn't answer question 12.	0 points Didn't provide screenshot of testing different # of threads and didn't answer question 12.	/ 8
Program Report - Proof that Student Filled out Report (provided screenshot of confirmation page)	5 points Filled out Program Report	0 points	0 points	0 points Didn't submit screenshot showing proof that program report was filled out.	/ 5
